

Dipartimento di Studi Umanistici
Sezione di scienze storiche e geografiche "Carlo M. Cipolla"

International Interdisciplinary Workshop

12 september 2018 – 2.30 pm
Aula Bottigella – Palazzo S. Tommaso, Piazza del Lino, 2

Exploring Sustainability in the Past: Methods and Perspectives

Chair

MARIO RIZZO (University of Pavia)

The material evidence of commons: an archaeological perspective
on the sustainability of past agro-silvo-pastoral practices

ANNA MARIA STAGNO (University of the Basque Country & University of Genoa)

A modern concept in early modern times: re-inventing
sustainability for historical analysis

PAUL WARDE (University of Cambridge)

The management of natural resources and the emergence of
sustainability problems in early modern Lombardy

MATTEO DI TULLIO (University of Pavia)

Discussant

CLAUDIO LORENZINI (University of Udine)
